The **HandKey** is ideal as a stand-alone or networked to an **access control** system.

- Real security
- Saves money over card-based systems
- Fast and easy to use
- Increases convenience by eliminating cards
- Integrates into existing systems
- Field proven reliable technology

More than a simple **time and attendance** terminal, the **HandPunch** lets you tailor the system to meet your precise needs.

- Saves money over card-based systems
- Eliminates Badges
- Eliminates 'buddy Punching'
- Fast and easy to use
- Provides the most accurate time and attendance solution available
- reduces administration workload

From mounting accessories to card readers to networking options, we offer many accessories for both our **time & attendance** and **access control** readers. Displayed below are just a few of the many options **RSI** offers. Please contact your dealer for more information on these or any of our other accessories.

- HandNet for Windows
- HandNet light
- Card Readers
- Networking
- Outdoor Options and enclosures
- Mounting
